

MOHANABRABU B M He | His | Him

M.S in Urban Design (MSUD) | Graduate Candidate

An aspiring urban designer, photographer and a city observer with interests and concerns over design, space, society, and energy efficiency. I position myself to be a catalyst in creating an impact and changing the way of urban living.

PROFESSIONAL EXPERIENCE

GRADUATE RESEARCH ASSISTANT

University of Texas at Austin | Sep 21 - Present

Currently working with the Professor at the University in architectural and urban research projects.

RESEARCH ASSOCIATE - URBAN DEVELOPMENT

Institute for Transportation Development and Policy, India | Sep 20 - Jun 21

Developed guidelines and graphic manuals for 100 Smart cities in India to conduct the Streets for People national level challenge. As part of the non-profit organization, I actively coordinated with diverse stakeholders and public officials of three Smart Cities in South India to implement sustainable mobility projects.

ARCHITECT

architectureRED, Chennai | Apr 18 - Mar 20

Worked on concept development through design schemes, sketches, models, and presentation pitches for large-scale urban and affordable housing projects. Actively coordinated with the clients and structural and landscape consultants to prepare the construction drawings and monitor the site's progress. Participated in the weekly office knowledge sharing sessions and managed the office supplies.

ASSISTANT ARCHITECT

Design and Planning Counsel, Ahmedabad | Dec 17 - Mar 18

Worked on the pitch presentation for a Multi-level car parking building at GIFT City, Gujarat, by preparing concept sketches, study models, and preliminary design schemes. Produced concept design and construction drawings for the institution and residential projects.

GRAPHIC DESIGNER

Wallistry, Chennai | Apr 17 - Nov 17

Worked on the marketing strategies and concept graphics for developing the e-commerce website and product packaging. Analyzed user experience insights and studied how design can aid business.

INTERN ARCHITECT

Edifice Architects and Interior designers, Chennai | Dec 15 - Apr 16

Developed construction drawings and schedules for housing projects and presented the pitch to clients for an institutional project.

INTERN ARCHITECT

Errol Reuben Associates, Ahmedabad | Jun 15 - Oct 15

Worked on conceptual designs and construction drawings of residential and office interior layouts. Attended the Business Network International meetings of the Ahmedabad Chapter to interact with the business network.
